1. This is a petition filed for quashing the issuance of process under Section 138 of N.I.Act, which order has been confirmed in revision. The only point raised in this petition is that the present applicant is made an accused because he was a member of the joint hindu family. Perusal of the complaint indicates that the 4th member of the HUF has been made accused and that all the 4 were involved in taking of the loan and giving assurance. It was sought to be argued that the present applicant has nothing to

do with the transaction. That was the matter of defence. In the circumstances, no interference is called for. Petition to stand dismissed.
